DEPARTMENT OF PUBLIC HEALTH'S REQUEST FOR MANAGEMENT APPRAISAL AND PERFORMANCE PLAN (MAPP) SALARY PLACEMENT FOR MR. MARIO PEREZ UPON APPOINTMENT TO THE POSITION OF HEALTH PROGRAM MANAGER III

The Department of Public Health, with the support of the Chief Executive Officer (CEO), requests approval to appoint Mr. Mario Perez to the position of Health Program Manager III, Item No. 4543, at an annual base salary of \$164,032.80. The base salary placement for Mr. Perez onto Management Appraisal and Performance Plan (MAPP) Tier II, Salary Range S14 (the Board-approved range for this position), will place Mr. Perez above the Control Point of the range. This salary is recommended based on Mr. Perez's extensive experience and the role and responsibilities he will perform as Health Program Manager III for the Department of Public Health.

As Health Program Manager III, Mr. Perez will report to the Department's Medical Director and will be responsible for overseeing the Division of HIV and STD Programs, which is responsible for planning and coordinating the Department's overall response to local HIV and STD epidemics. Specifically, Mr. Perez will plan, develop, organize, coordinate, implement, administer, and evaluate a wide range of HIV and STD-related surveillance, disease control, prevention, treatment, research, education, policy, quality management, planning, evaluation, and epidemiologic activities throughout Los Angeles County; ensure that adequate resources are available to address the growing HIV and STD epidemics in the County; coordinate HIV and STD services in the context of broader public health, social, community, environmental and political concerns; and review, evaluate, and develop policy recommendations related to HIV and STDs.
